Magnolia Room

The children in Magnolia have been reading 'I Want My Potty' by Tony Ross.

They decorated crowns and dressed up as the little princess in the story. We adapted a small area of the room and used potties and dolls to encourage the children to learn about using the potty or toilet. Everyone enjoyed this activity and had great fun.

SCHOOL
LOGO!

Painting in Lilac Room

In baby room this week, the children used their fine motor skills and imaginations to produce some lovely art work on the painting easel.

Right: Isabella paints her masterpiece!

Positional Language in Cherry

This week the Cherry children were talking about positional language. As the children played with the cars, we talked about where the cars were parked; on top of the garage in, next to and behind the garage.

Acorn Class Goes on a Bear Hunt

This week in Acorn class we have been reading, 'We're Going on a Bear Hunt.' We have some dark caves in our room that often have mummy, daddy and baby bears hiding in them.

The children have been making swishy, swashy grass and bear footprints in thick, oozy mud. We are looking forward to more bear hunting next week!

Acorn Children in their cave!

We have also been talking about how we can be kind to others and the children have come up with some fantastic thoughts. Please let us know if your child has been kind at home so we can share it with the class.
