

Year 5 Homework – Spring 2

Dear children and adults,

This term's homework is led by our creative curriculum in an effort to develop your own preferred learning style and methods of presentation; to become more independent learners; improve your research and communication skills and engage your whole family in the school experience. You will be given several questions to research the answer to each half term. We expect all homework to be of a high standard. We expect it to show effort, pride and time taken and that it is given a high profile from you at home too. We also expect it to be done and handed in on the date due.

READING

You should be reading at home every day. You have a reading record in class to sign when you have finished a book. Keep your reading book in your book bag and bring it to school EVERY DAY!

Maths

You need to practise all of your times tables facts every night. Remember to learn the division facts as well as the multiplication facts. If you do not know how to tell the time, then start!!

WIDER CURRICULUM WORDS

Do you know what these mean and how to write them?

- Empire
- Revolution
- Poverty
- Architecture
- Symbolism
- Commemorate
- Perspective

Make a glossary of these key words.

SPELLING

Every Wednesday you will be given a list of words to spell. Please learn these as we will be checking the following week.

Remember you can answer your questions in whichever way you wish such as posters, art work, movies, written poems, stories and PowerPoints. We look forward to seeing your final projects.

YEAR GROUP 5

DATE SET

3rd March 2023

DATE DUE

31st March 2023

Homework for Y5: Spring 2

Week 1	Geography - Natural Disasters
Notes	<p>Create a 3D model or draw a picture to explain and describe how an earthquake happens. Remember to refer back to your previous learning in Geography last half term.</p> 
Week 2	History - The Victorians
Notes	<p>Research the games that Victorian children used to play outdoors and the equipment they would use. Can you create your own outdoor game for Victorian children to play? Think about what resources would have been available to you.</p>
Week 3	Design and Technology
Notes	<p>In Design and Technology, you have been developing a new bread product. Design an advert for your new bread, thinking about its key features, ingredients and name.</p>
Week 4	Science - Evolution and Inheritance
Notes	<p>In the 1830s Charles Darwin made a round the world trip in a ship called The Beagle to learn about variation. Make a poster or leaflet about his voyage. Information you could include: - What was his ship like? - How long did he travel for? - Where did he stop on his journey? - What did he discover and find out?</p>
