

# Year 6 Homework

Dear children and adults,

This term's homework is led by our creative curriculum in an effort to develop your own preferred learning style and methods of presentation; to become more independent learners; improve your research and communication skills and engage your whole family in the your experience of school. You will be given several questions to research the answer to each half term. We expect all homework to be of a high standard. We expect it to show effort, pride and time taken and that it is given a high profile from you at home too. We also expect it to be done and handed in on the date due.

## READING

You should be reading at home every day. You have a class reading record in school to sign for when you have read. Keep your reading book in your book bag and bring it to school every day.

## NUMERACY

You need to practice all of your times tables facts up to 12x12 every night. Remember to learn the corresponding division facts as well as the multiplication facts.

## Key Vocabulary

Do you know what these mean and how to write them?

Blitz  
Ration  
Silhouette  
Mayan  
Gravity  
Allies  
Axis  
Landlocked  
Basin

Make a glossary of these key words.

## SPELLING

Each week you will be given a list of words to spell. Please learn these as we will be checking the following week.

Remember you can answer your questions in whichever way you wish such as posters, art work, movies, written poems, stories and PowerPoints. We look forward to seeing your final projects.

## YEAR GROUP 6

DATE SET  
Friday 3<sup>rd</sup> March
