COME ALONG!

Year 5 - Tower of London Trip

Last week Year 5 had an amazing time exploring the Tower of London to learn more about the Tudors. They began the day with an exciting visit to the museum which was full of old army medals. They had the chance to pick up a real army backpack, which weighed 3 stone, and encountered some overly-confident ravens!

They saw the very impressive Crown Jewels, which the children were amazed by. One of the highlights was the torture room, where they got to see actual torture devices used back in the 1600's, some of which were particularly gruesome! The children behaved amazingly well and were a credit to the school. We all had a fantastic day out.

Year 1 - London Transport Museum

The children thoroughly enjoyed their visit to the London Transport Museum. They were excited to share information that they had already learnt. The children also gained new information through exploring all the different types of transport,

old and new.
