YEAR 3 TRIP - SEA LIFE LONDON AQUARIUM

Before the half-term, Year 3 visited the Sea Life Aquarium in London as part of their topic 'Under the Sea'. After travelling on several trains, they finally arrived and were able to explore the Arctic Seas, the Amazon Rainforest and the Antarctic Ocean. Some of the highlights of the trip were walking over a glass bridge with sharks underneath, touching a starfish, watching the amazing sharks swim around their tanks and watching several penguins waddle around. It was a fantastic trip and everyone learnt a lot about life under the sea and the sea creatures.
