

Year 1

This week we have been adding the finishing touches to our exciting classrooms. We have created cars, trains and buses to reflect our topic in our learning environment.

In maths we have been learning to estimate amounts, order numbers and to count on/back 10.

The Naughty Bus has been on his travels again and in Literacy we have written diary entries from the point of view of the bus, described settings from the story and generated ideas for our own versions of the Naughty Bus sequel!

We are incredibly excited about our trip to the Emirates Airline cable car and the Thames Clipper next week! Please don't forget to return all reply slips and pay your contribution on Parent Pay.
