11 BEFORE 11

## What is 11Before11?

11Before11 is eleven lifetime experiences that we want all the children to have by the time they leave Woodside Primary Academy. It gives the children a chance to enjoy different experiences which they may have never tried before.

## VISION FOR 2025/2026

We want all the children in their year group to experience at least one of the promises this academic year. We also want all students at the school to participate in '10 Good Deeds' and 'Break a Record' across the year.

Welcome to our first ever 11Before 11 Newsletter at Woodside. This will be a termly newsletter showcasing some of the 11before11 experiences children have taken part in each term.

**📖 ✨ Year 3 Pupils Shine in 11before11 Reading Buddy Experience! ✨**

We're thrilled to share the wonderful news from our Year 3 classes! 🌟 As part of our 11Before11 initiative – **10 GOOD DEEDS** - our pupils have taken on the inspiring role of reading buddies, sharing their love of reading with younger children across the school.

Over the last few weeks, our Year 3 students have been visiting their lower school friends in Year 1, creating a warm and encouraging atmosphere to dive into some fantastic stories together. 📖💖 Their enthusiasm has not only fostered a sense of community but has also sparked an interest for reading amongst the younger pupils.

Watching the budding friendships grow over these shared reading adventures has been simply heartwarming. We are proud of our Year 3 pupils for showing such kindness, patience and leadership in guiding the younger children.

A big thank you to our dedicated teachers for facilitating this project and nurturing a love for reading in all our students! A big thank you to all the Year 3 pupils! 🙌

Let's keep the pages turning! 📖 ✨
