Spring Extra-Curricular Clubs Booklet

FOREST SITE

2026

At Woodside, we believe every child deserves an enriching, diverse and inspiring educational journey.

Our mission is to equip pupils with the skills, values, and confidence they need to thrive as successful young adults in the wider world. We encourage them not only to live by our seven life values, but also to pursue their individual passions with purpose and enthusiasm.

Our extra-curricular programme plays a vital role in this journey, offering pupils a range of opportunities in a fun, safe, and supportive environment - where curiosity is nurtured and talents are discovered.

Woodside ran clubs are taught by our very own staff and we provide them free of charge. Every student is entitled to a place in one free club each academic year.

Spring clubs will take place from Monday 12th January to Friday 27th March.

Next steps...

On Wednesday 3rd December the school run clubs booking system will go live on Arbor at 7pm for Forest site pupils (7.15pm for Bridge site) pupils. You will then be able to book your child's place.

To book, open your child's Arbor account, click on the 'Activities' link and choose ONE club session for your child to join in spring term (multiple signups will be deleted). Please remember it is a first come, first served system, so early booking is recommended. If you have more than one child, you will need to change to each child's account and book the club for each child individually.

If the drop-down menu with the spring dates does not show up, it means that the session is full. There are a limited number of spaces available for each club. In this case, you will need to make a different choice.

Arbor bookings will close at 9am on Tuesday 9th December

If you are having technical difficulties with Arbor, you must come to the office for assistance before the closing date.

You will receive an email confirming your child's place on Wednesday 17th December.

Spring clubs will start on Monday 12th January.

Please contact externally run clubs directly with any questions you may have. The school can only assist you with information about clubs run by Woodside staff.
