

ReadwithPhonics.com

ReadwithPhonics.com have advised that if you download their app you may print off free resources and phonics games.

The children can be 'Sound Detectives' and read sentences.

Ms Young uses this website to teach phonics and reading and thinks it is a great resource.

Don't forget to keep using Numbots and Bug Club too!

Bug club passwords are: readme

Whilst these all appear child-friendly, as a school we haven't individually checked the contents of each app so please use general e-safety practices and remind children to show an adult if needed.
