

Year 2

This week Year 2 went to see the Monument where the Great Fire of London started. We walked down Pudding Lane and imagined what it might have been like in 1666 during the Great Fire of London. After, we walked across London Bridge and along the River Thames. We crossed back over Tower Bridge and walked past The Tower of London before getting the train home. It was cold but we had a great time. Thank you to all the parents that came along with us.

“On Monday we went to school because we were going on a trip. I brought a packed lunch and a hat, some gloves and a big jacket. I zipped my coat up because I didn't want to get cold. We took 2 trains to get there. We saw a monument. It had a statue at the top. It was gold and shiny. The statue represents The great Fire of London. When we got back we ate our packed lunch. My lunch was amazing and yummy. My favourite part was going on the train.”
